## TOWN TOPICS

**THE LONGEST LIST**—Of the drug stores of the city which joined the 100 per cent list during the fourth Liberty Loan drive, the Central Drug company claims to have the greatest number of employees on that list. Seventeen from that store were subscribers to the Fourth Liberty Loan, a record of which they may justly be proud.

**HONOR OFFICER TO BE**—Mrs. John A. Thompson of 1305 North Eighteenth avenue entertained on Thursday evening a few friends in honor of Fred Blair Townsend on the eve of his departure for the officers' training camp at Camp Taylor, Ky. Miss Gwendolyn Lynch gave a few numbers of aesthetic dancing, and games were played. The rooms bore patriotic decorations of the American colors and American Beauty roses.

**FIRE TRUCK RUNS WILD**—A truck from No. 3 fire station, while responding to a call at 6 o'clock last night, broke a steering knuckle and was thrown into a ditch at Seventh avenue and Washington street. It had to be towed back to the station. The alarm was the result of a "scare" at 615 Second avenue, where a bon fire was thought to be a house on fire by a person, turning in the alarm. The truck was slightly damaged.

## CLEAN 40 SACKS OF SHELLS, SEEDS, PITS

Firemen of Central station have cleaned and prepared for shipment enough seeds, mussels and pits to fill 40 grain sacks. The forty sacks will weigh about 4,000 pounds or two tons. The work was done for the Red Cross.

The seeds, shells and pits were collected about the city in the campaign to get material with which to make high class carbon, used in the manufacture of gas masks. The firemen volunteered to clean and prepare the material for shipment.

## Battle Summary

(By the Associated Press)  
William Hohenzollern, German emperor and king of Prussia, has decided to renounce the throne.

This declaration is made in a decree issued at Berlin by the German imperial chancery, Prince Maximilian of Baden. The German crown prince will also renounce the throne, and a regency will be set up.

Prince Maximilian will remain in office until matters connected with the abdication of the emperor are settled, and Friedrich Ebert, vice-president of the social democratic party, will replace him as chancellor during the regency.

(By the Associated Press)  
William Hohenzollern, German emperor and king of Prussia, has abdicated.

Official announcement of this fact has been sent out by wireless from Berlin. It is announced also that the crown prince has renounced his rights and that a regency will be instituted.

Thirty years and almost five months after he ascended the imperial throne, William Hohenzollern, his armies defeated in the field, forced to sue for armistice terms, and the German people rising in revolt, gives up his power. He came into authority with his country at the threshold of an era of peace and material progress; he leaves it torn by revolution and suffering from the hardships and sacrifices of more than four years of war—virtually ruined.

Prince Maximilian, the imperial chancellor, will remain in office until questions connected with the abdication of the emperor are settled. For the regency, Friedrich Ebert, a socialist and president of the main committee of the reichstag will be chancellor. Ernest August, duke of Brunswick, son-in-law of the emperor, also has abdicated and renounced the rights of his heir.

With the passing from power of William Hohenzollern, all the heads of the governments of the central powers when they entered the war, have died or lost their thrones. Emperor Francis Joseph and the sultan of Turkey died before their countries agreed to allied armistice terms, and Ferdinand of Bulgaria abdicated and renounced the rights of his heir.
